Dining room with marble table and shell pendant

REFERENCE	RESORT	SPACE
0006	Capella Bangkok	Private Villa

SUMMARY

A relaxed garden villa dining room, where an oval marble table seats six cream barrel chairs beneath two hammered metal pendants, one a folded shell form. Let that pendant group be the flourish, keep joinery long, low and dark, and plant one large specimen indoors.

Bedroom with striped chaises and pool doors

REFERENCE	RESORT	SPACE
0007	Capella Bangkok	Private Villa

SUMMARY

A shaded villa bedroom with grasscloth panelled walls, where two striped chaise longues angle toward a full width opening onto the plunge pool. Let the chaises carry the room's only pattern, keep all else low, and cluster small black tables instead of one coffee table.

REFERENCE	RESORT	SPACE
0011	Capella Bangkok	Tea Lounge

Window armchairs overlooking the lily pond

REFERENCE	RESORT	SPACE
0014	Capella Bangkok	Tea Lounge

SUMMARY

A hushed window bay of armchairs around cloth covered tables, facing the lily pond and beds of green reeds. Keep chair backs low so the view passes over them, use a cushion a shade darker than each chair, and let white linen be the styling.

Conservatory dining room with skylight and banquettes

REFERENCE	RESORT	SPACE
0016	Capella Bangkok	Phra Nakhon
