Gold runs through everything

The quartz veining, the brushed gold faucet and the bronze-gold pulls repeat one warm metallic note.

Dark below, light above

Flagstone cabinets anchor the base, while the ivory counter, sand sink and pale Malibu floor keep the room bright.

One soft surface

Sand and Versailles Ivory sit close in tone, so the sink blends into the counter instead of breaking it up.

Gold and black accents

The gold veining in the quartz and the bronze-gold pulls add warmth, while the matte black faucet gives one crisp contrast.

Warm wood, cool stone

Brown cabinetry grounds the vanity, while ivory quartz and pale Malibu tile keep the room light.

Quiet joints

A soft grey grout defines the tile pattern on the floor and shower wall without strong contrast.

PALETTE

SUMMARY

One pale field runs underfoot throughout the house, large Malibu porcelain, matte and calm, laid in wide squares. Rolling Fog softens every joint, so the floor reads as a single quiet surface beneath the rooms it serves.
